*For his many years of loyal service  
to South Intermediate School  
the Journalism Staff  
dedicates this 1959 annual to  
Warren Shelly,  
teacher of Science.*

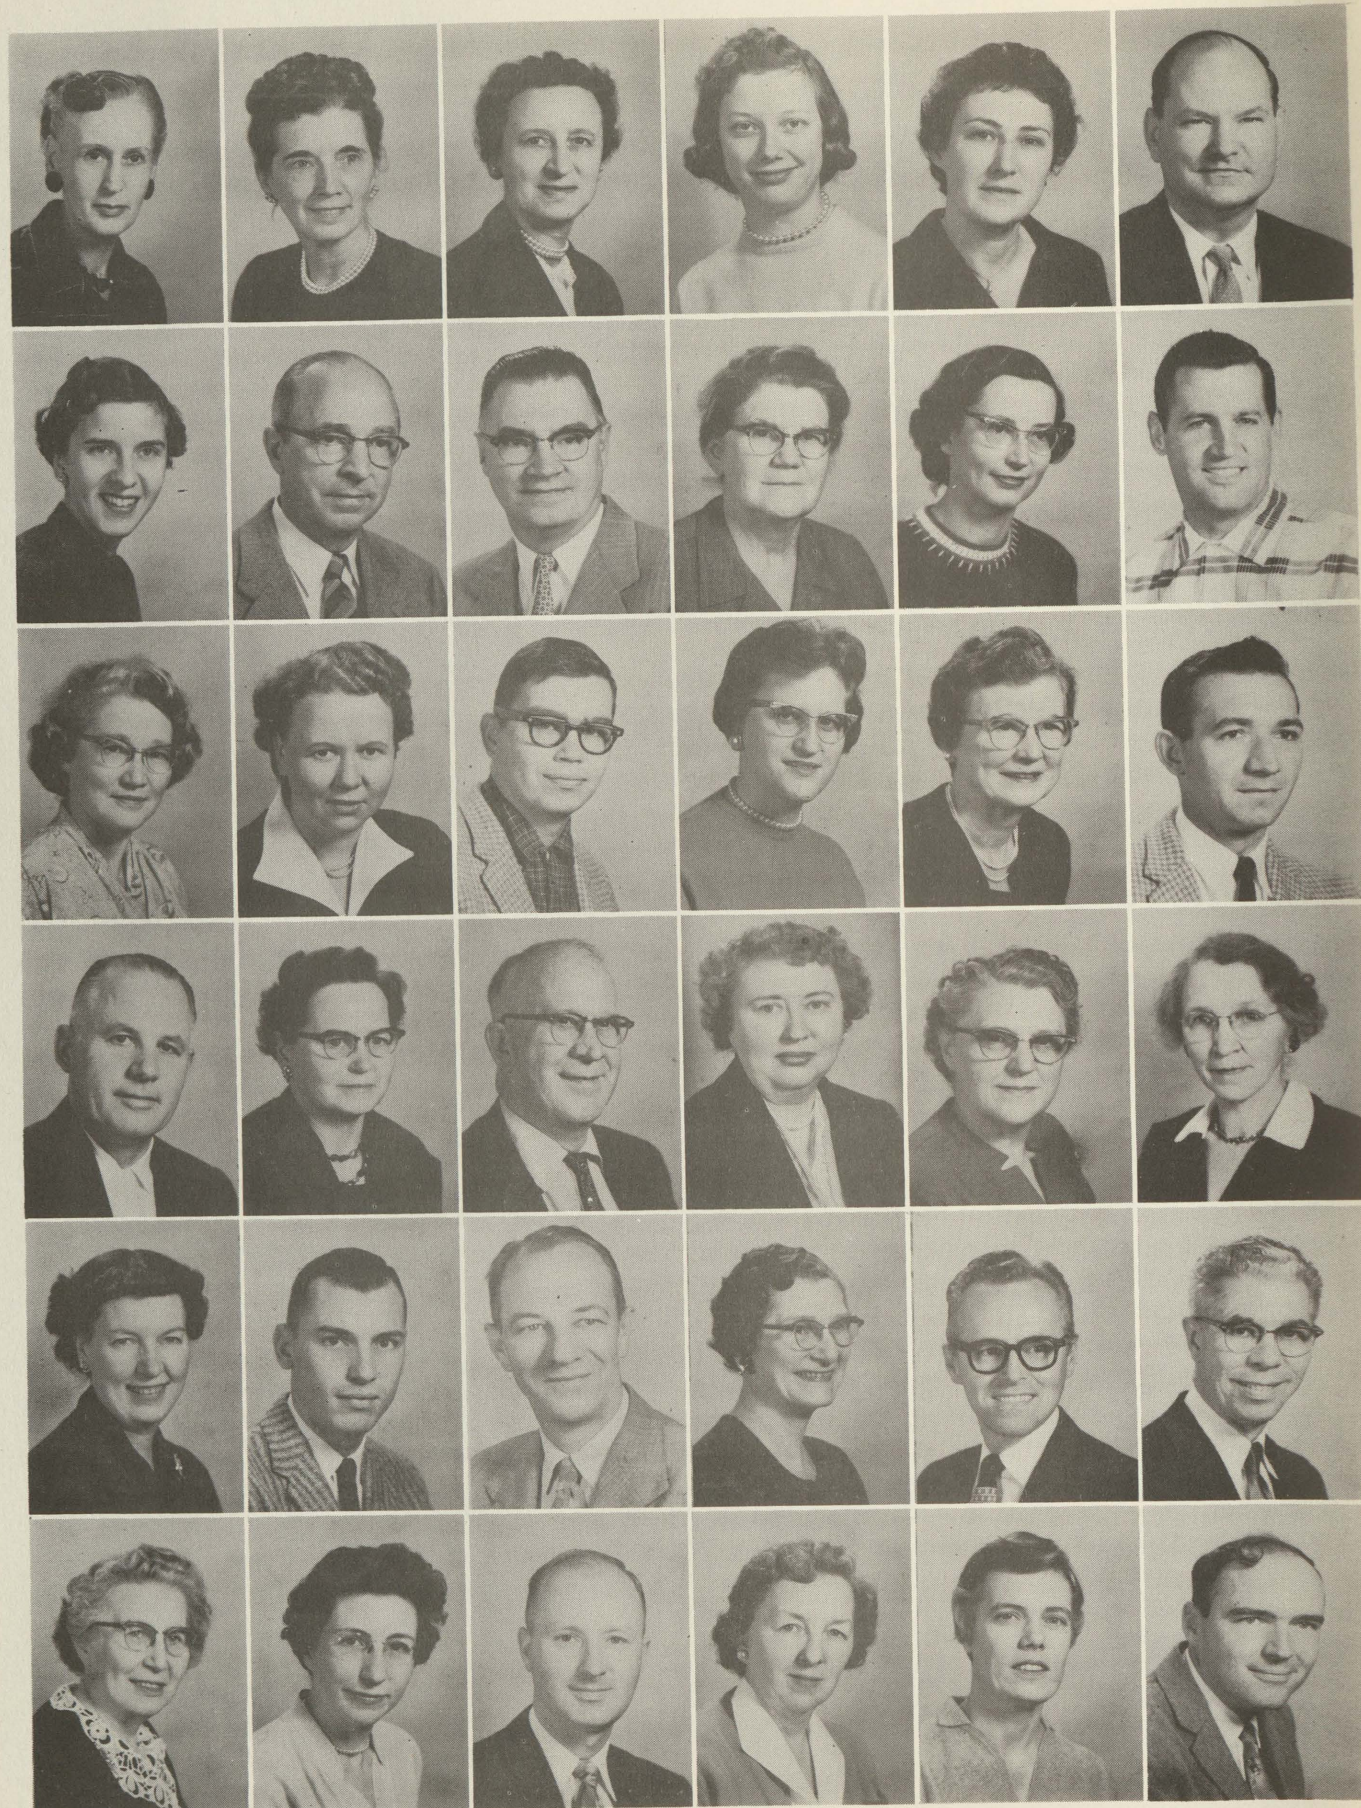

*One of the most enjoyable "once-a-year" events is the distribution of our Annual S. I. S. Boom. Every year we look forward with a great deal of pleasure to receiving our yearbook. When the books are given out, and we turn the pages for the first time, many enjoyable surprises are revealed. As months and years go by, our S. I. S. Boom continues to bring back pleasant memories of the friends, activities and special events associated with the school year.*

*May this 1959 Annual ever be a reminder of happy days during 1958-59.*

### *Presidents' Council*

Junior high homeroom presidents made up the Presidents' Council which worked on a number of projects this year. Among these were the United Fund, Junior Red Cross, and the polio drive.

First semester officers were Jim Schradel, president; Mary Gross, vice-president; Sue Werth, secretary; and George Wilson, treasurer. Second semester officers were Carol Raymond, president; Dave Trogan, vice-president; Nancy Kempf, secretary; and George Wilson, treasurer. Mary Gross and Sue Werth served as representatives for the Junior Citizens' Council meeting in Ann Arbor first semester.

Something new this year was the constitution committee which was made up of seventh graders Ken Feit and Matt Beach, eighth graders Tim Brennan, Marshall Chamberlain and Nancy Staples, and ninth graders Jim Schradel and Sue Werth. This committee has drawn up a constitution for the school.

*Miss Edith Ruttan, after 28 years of faithful service to South School, passed away Monday, March 30, 1959.*

*Miss Ruttan, who came from Alden, Michigan, was graduated from Central Michigan College with a degree to teach English and math in public schools. Before coming to South, Miss Ruttan taught in Kalkaska County and at Webber Junior High School.*

### *Honor Assembly*

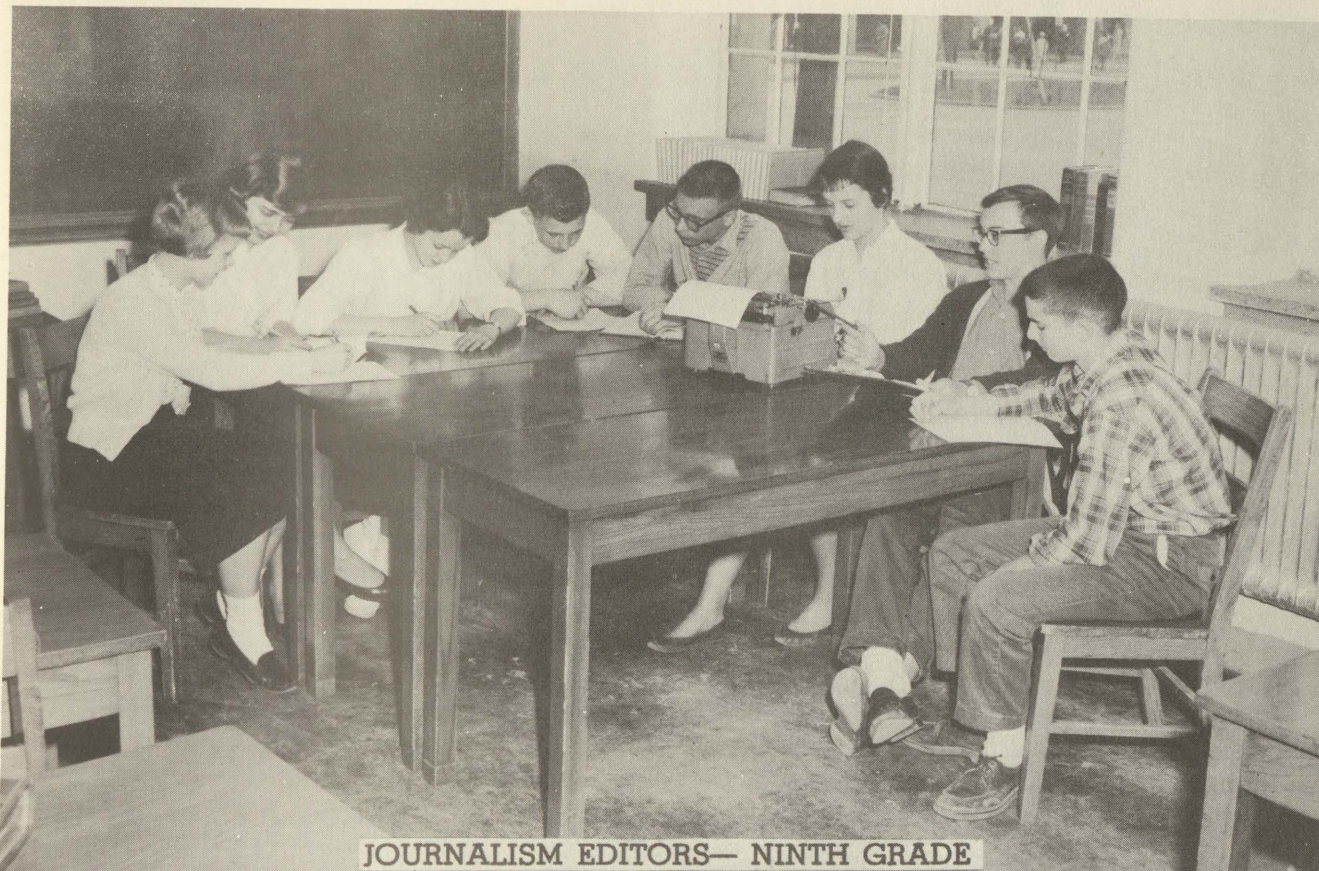

To honor those students of South who showed special aptitude and ability in their work, or gave outstanding service, our first semester honor assembly was held February 3, 1959. Dick Dana, Jim Grant, Mary Gross, Carolyn Olney, Donna Ryba, Sally Schmick, and Genie Solterman took part in the traditional ceremony in which the three candles, symbolizing service, industry, and sportsmanship, were lit.

Students maintaining a B (3.0) average in scholarship and a B+ (3.5) in citizenship were eligible for honor pins; those having a 3.0 average in citizenship and scholarship received honor certificates. There were 118 first honor pins, 16 second, 84 third, 6 fourth, and 32 fifth pins awarded; 19 honor certificates were also given. About 93 first "S" pins, 7 second, 10 third, and 2 fifth pins were presented to those students who gave 36 hours of extra service to the school and teachers.

If they were able to maintain the proper averages, the following thirty-two students were to receive their gold honor pins at the close of the second semester:

Barbara Ackerman, Lora Berkompas, Lana Blake, Sharon Canady, Shirley Canady, Elaine Crandell, Judy Dague, Dick Dana, Joan Ginder, Janice Goold, Jim Grant, Mary Gross, Mary Ann Huyghe, Marilyn Ison, Tom Jacob, Diane Jenkins, John McCarger, Gail McGregor, Ellen Metzger, Mike Neorr, Carolyn Olney, JoAnn Podolsky, Sue Pohlman, Donna Ryba, Sally Schmick, Nancy Schneider, Brenda Shear, Donna Smith, Genie Solterman, Beth Steininger, Royale Yingling, Dick Zirkle.

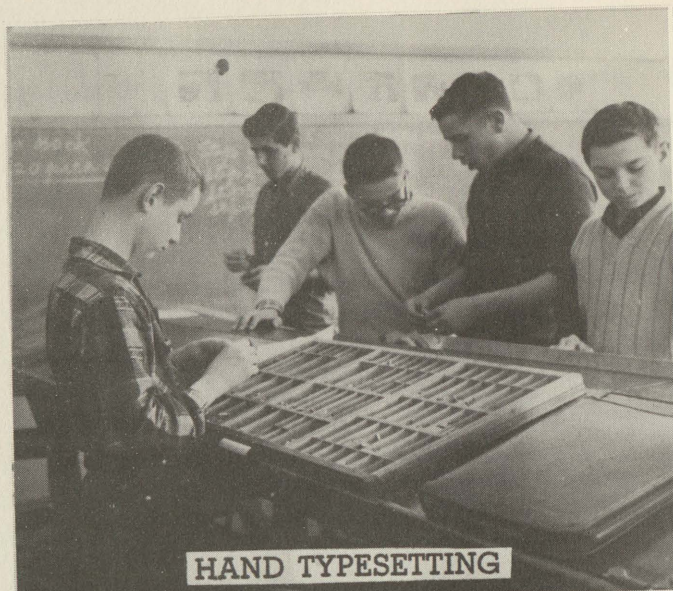

The awards committee was composed of Miss Marshall, Mrs. Pruyne, Mrs. Ure, and Mr. Shelly.

# Events Through The Year

## Poppy Contest

Ruth Averill, William Brinker, and Diane DeShazo of South placed first, second, and third respectively in the Poppy Contest as announced by the chairman, Mrs. Brooks.

All posters were sent to the Art Office at the Board of Education Building and judged March 20, 1959. Every poster contained a ten word slogan and a true drawing of the poppy made by the veterans having the words "The American Legion Auxiliary" printed on it. Certificates will be presented to all who participated.

## Safety Poster Contest

Third place in the city's Safety Poster Contest was taken by South's Jim Oblander, while in the national contest Helen Tunsion took a third place. The theme of both posters was *Cross Only At Corners*.

The city's posters were judged here and were on display at the Butman Fish Library starting February 20, 1959. The winning posters were sent to Washington, D. C. and arrived February 28, 1959, for the final judging. The winning poster was reproduced and will be sent around the nation next fall.

## Red Cross Gift Boxes

In the annual Junior Red Cross gift box drive a total of forty-seven boxes filled with small household articles and toys were collected. Homerooms participated in the campaign by filling for either a boy or girl, and many elected to prepare both.

The boxes will be sent to Landlord, Maryland; from here they will be shipped to tornado-stricken and flood-damaged areas throughout the world. Through recent years return letters have been received from Thailand, Burma, Germany Indonnesia, and India, always with a word of thanks for the enjoyment they brought to some needy boy or girl.

## Morley Scholarship

Sally Schmick, violinist, was awarded the Lucy B. Morley Memorial Scholarship for two weeks at the All-State Music Camp in Interlochen, Michigan.

## Student Teachers

During the past year, South School has been privileged to have six student teachers externing here at different periods of time.

Pat Johnson, a Michigan State senior majoring in physical education, taught with Miss Vassaw from September 5th through December 12th.

Coming here March 30, Joanne Watt, a Michigan State junior also majoring in physical education, assisted Miss Vassaw through the end of the school year.

From Grosse Point Farms came Pat Herrig, a social science major at M.S.U., who aided Mrs. Kreuger in 214.

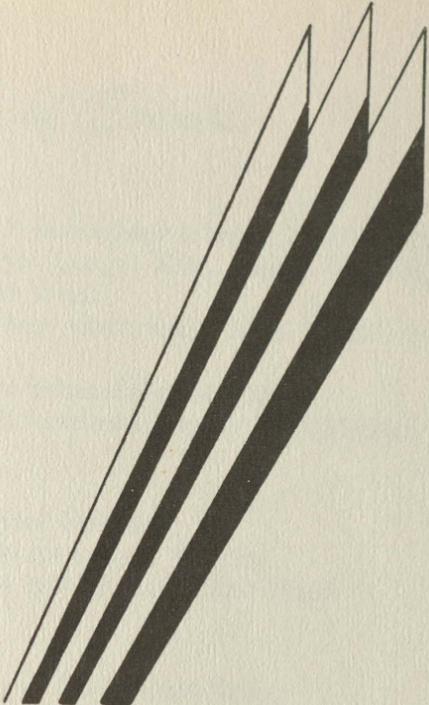

Mrs. Rosalie Wing, now teaching at Houghton school in Saginaw, taught first grade with Mrs. Schuch for a period of time. Cindy Coulter of M.S.U. externed with Mrs. Light's second grade while Pat Pollack taught with Miss Atkinson in her third grade class.

## Future Students Visit

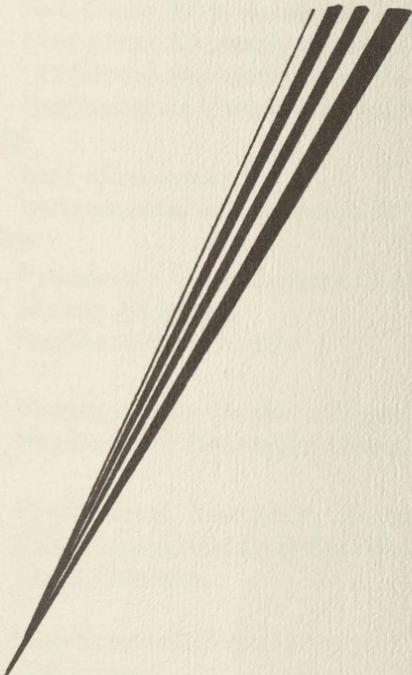

On May 14th sixth grade pupils from South, Handley, John Moore, Jerome, Herig, and Durand Schools met in South's auditorium. Carol Raymond welcomed them. Sue Decker and Tim Blanchet spoke, respectively, on girls' and boys' athletics. Speaking on South's monitor service was Gary Tilley.

Sue Werth told about our music program. Genie Solterman described the honor awards system and the opportunities for those who are interested in dramatics. The students were also advised as to their selection of courses.

Prospective ninth grade students were counseled on May 13th by Mr. Guy, Miss Gay, and Miss Kelley.

## Service Club

Julie Ure, sponsor

Maintaining their high standard of service, the ninth grade Girls' Service Club completed another year of assistance to parents and teachers. Among the duties performed by the girls are distribution of the morning bulletin, caring for children while their mothers are attending P.T.A., selling tickets, ushering at school activities, and assisting teachers at noon and after school.

After completing thirty hours of service to the school, the girls are awarded "S" pins. ## Monitors

June St. John, sponsor

### *Vocal Groups*

Marion Drury, sponsor

Providing musical entertainment throughout the year, the Madrigals, a group of ninth grade girls, sang at the October and February P.T.A. meetings, entertained the local D.A.R. group, and took part in the Christmas assembly, the Spectacular, and the Spring Vocal Concert.

The girls included Sharon Canaday, Joan Ginder, Beth Hale, Mary Jane Hussle, Connie Mann, Ellen Metzger, Carolyn Olney, Donna Ryba, Carolyn Schade, Genie Solterman, Kathy Sugden, and Sue Werth.

The Girls' Glee Club with approximately thirty-five members rehearsed after school for the Spring Concert. A ninth grade trio, performing at several school functions through the year, and an eighth grade quartet also participated in the program.

### *Professional Assemblies*

Starting our year's professional assembly season was B. Michael Sumner and his talk on the sailing ship, Yankee. Mr. Sumner, who has worked around boats for most of his life, gave a very interesting and informative talk and showed a color movie about the ship, its crew of novice sailors, and its 40,000 mile trip around the world. This outstanding program was presented on September 25.

An assembly program entitled, "My Shepherd Life in Galilee," was presented on October 15 by Stephen A. Haboush. Mr. Haboush and his wife showed hand-made articles from Galilee, and Mr. Haboush told many interesting and exciting stories of his shepherd life.

Entertaining us on October 27, was Mr. Elias Ward with his talk and filmstrip on Jungle Adventure. Mr. Ward has spent most of his life capturing wild animals and bringing them back alive. Mr. Ward's talk included the care and handling of captured animals as well as the way in which they were captured.

On December 5 Mr. Roy Bogardus, a sculptor in clay, gave a unique display of the art. Mr. Bogardus made many models of faces and he also showed us how important light is in the way we see things.

A kangaroo named Lord Tommy, trained dogs, a pony, monkeys, goats, and an unusual bear, the kinkajou, were featured in Green's Circus, our fifth professional assembly presented on March 12. This show was especially interesting because it featured animals that we all know and have seen along with rare animals from around the world.

Juan Root from the Up 'N' Atom Enterprises of Inglewood, California, presented a remarkable demonstration of Chemistry on April 9. Mr. Root performed many fascinating experiments mostly dealing with fire making.

### *Red Cross*

Marie Stolz, sponsor

The Red Cross Drive this year netted \$356.27. This was divided into \$69.10 from the Elementary and \$140.92 from Junior High grades, plus \$146.25 from the Red Cross Talent Assembly.

A talent program was held to help raise additional money in our annual Red Cross Drive. The show opened with the Jokers Dance Band, featuring Dave Wright, John Karpicke, Gary Tilley and Jim Witte playing "Rock Around the Clock" and the "Sewer Rat's Rock."

An accordion duet was next presented by Rushia Stewart and Alvin Rader, playing the "Villa" and "Top March." A flute duet, "Twilight Time," by Carol Scott and Marjorie Young followed.

"Jamaican Rhumba" a piano duet by Nancy Kempf and Donna Ryba followed Beth Hale, singing "Getting To Know You."

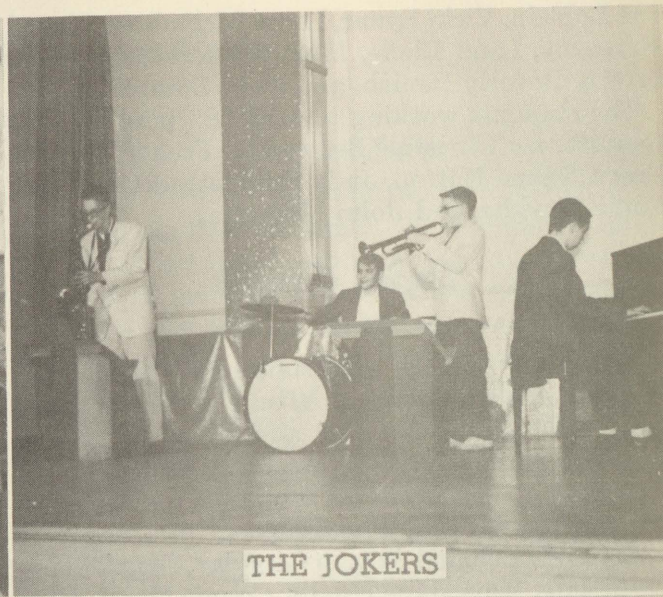

The ninth grade quartet then sang "Blue Skies," followed by Carol Murphy's dancing version of "I'm Just and Ordinary Man."

A toe dance by Linda Davis followed. Next came three pantomimes, featuring Betty Cummings and Diane Reeder in one, Karen Basner, Nancy Pierson and Sharon Scott in the second, and Diane Khuen, Barbara Latkovic, Kathy Marden and Jackie Meader doing the third.

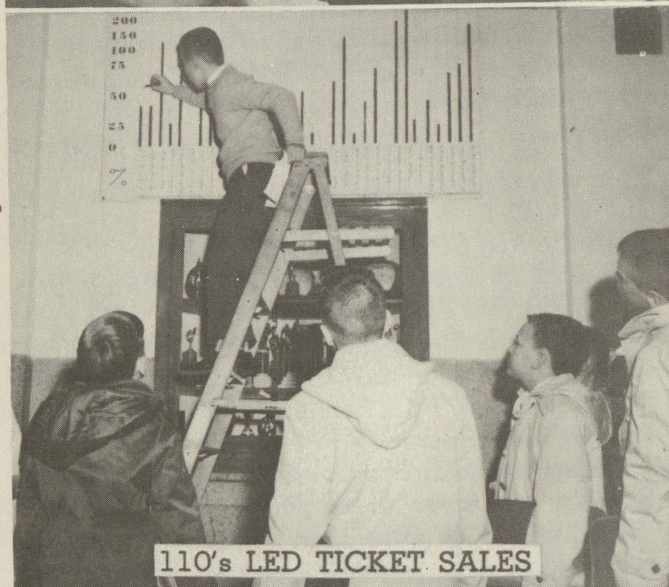

Coach Noble appeared at the end with his dog, Friday. Coach put Friday through his tricks and capped a very good program.

## *Southern Spectacular*

Emceeding the third annual all-school variety show, the "Southern Spectacular," were Genie Solterman and Art Barr. The program, including two evening performances and one matinee, was presented on February 26-27.

Opening the show, the Senior Band, under Mr. Shumate's direction, entertained with "Demolay Commandery March" followed by that old favorite, "You Were Meant For Me." Carol Scott then presented a flute solo, "Smoke Gets In Your Eyes." South of the border became the theme as the Band performed its final number, "Calypso Joint."

Next the spotlight was focused on Rushia Stewart playing an accordion solo, "Under the Double Eagle March."

Tapping her way to success, Pam Culp presented a dance novelty, "Rolling Boogie."

Nancy Kempf didn't hesitate in letting the spectators know just what kind of dance it was as she sang "Ladies Choice."

Stepping high and demonstrating their many skills with the baton, Judy Anderson, Betty Cummings, and Christie Gorrow whirled through "Snappy Swirls and Twirls."

With skill and agility, the "Sky Girls," Pat Cross Mary Gross, Ellen Whelan, and Karen Jacob, performed breath-taking feats on the swinging ladders. They were coached by Miss Vassaw.

No school should be without a mascot and South proved to be no exception as she presented her own talented Gladys, the High School Horse. Taking part in the skit were Mike Booth, Ken Fisher, and George Speace.

Gerald Wruck, another accordionist, then played a peppy number called "Remembering You March."

Although they certainly could square dance, they definitely weren't square. They're the Country Style dancers, who were assisted by the Madrigals. The act, directed by Miss Marsh, included Virginia Cox, Linda Davis, Susan Fobear, Mary Jo Hanson, Lynn Neorr, Janet Riddle, Joan Riddle, and Toni Schultz.

No, they didn't come from New York, but they might just get there. Of course we're speaking of South's Rockettes. The fast-moving tappers, sponsored by Miss Zubler, included Betty Cummings, Sally Jones, Marilyn Green, Connie Hall, Connie Herdebienk, Maxine Henderson, Connie Henning, Cindy Herzog, Sally Horn, Diann Martin, Diane Reeder, Sally Schrems, Beth Steininger, and Xenny Weiker.

Drifting off to cloud number nine was Connie Mann as she sang "Far Away Places."

Violins, a bass, and a piano composed the Magic Strings Quartet, who presented their rendition of "My Happiness." The happy strings included Nancy Ferguson, Sally Schmick, Genie Solterman, and Don Stinson.

The south sea islands danced their way into the program as Carol Murphy portrayed "Honey Bun" in a pantomime from "South Pacific."

Brilliant color was brought on the scene as the Debutones, a ninth-grade trio, sang "In The Still of the Night." The girls were Beth Hale, Ellen Metzger, and Donna Ryba.

Up on her toes and oh, so graceful — that's South's Petite Ballerina, Linda Davis, who presented a lovely ballet.

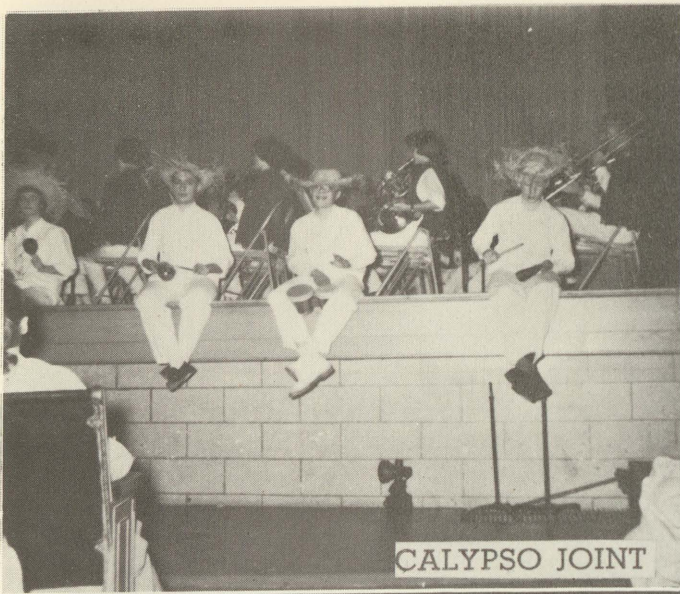

Wearing trench coats and twirling umbrellas, the Madrigals typified happy teen-age girls strolling in the rain. Singing and dancing to "Just Walking in the Rain" were Sharon Canaday, Shirley Canaday, Joan Ginder, Beth Hale, Mary Jane Hussle, Connie Mann, Ellen Metzger, Carolyn Olney, Donna Ryba, Carolyn Schade, Genie Solterman, Kathy Sugden, and Sue Werth. Miss Drury directed this number.

Were they beasts? Were they bugs? No, they're only nine of our gals, who, with the aid of black light, seemed to be bugs in the act, "Black Magic." The bugs were Betty Cummings, Jane Denby, Maxine Henderson, Cindy Herzog, Connie Henning, Sally Horn, Connie Hall, Kay Hunn, and Diane Reeder. Miss Zubler sponsored this act.

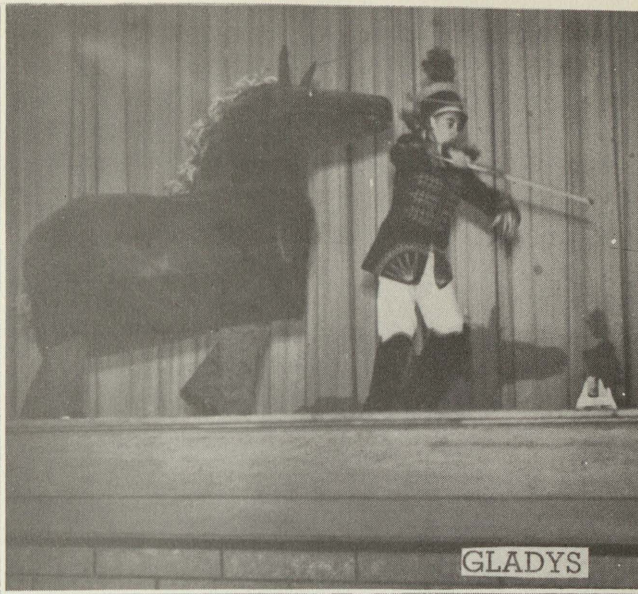

Ever been to Scotland? Probably not, but a bit of Scotland was brought to us in the form of a "Scottish Sword Dance" presented by Marjorie and Tim Turbin.

For rock'n roll lovers everywhere, the "Spectacular" presented the Jokers, a dance band including John Karpicke, Garry Tilley, Jim Whitt and Dave Wright. Beth Hale was featured in a vocal solo, "Love Is A Many Splendored Thing." For a finale the Jokers re-appeared to play "Sewer Rats' Rock" assisted by Diane Reeder and Diane Martin.

Assisting Mr. Eynon with staging, lights, and production, were Dave Douglas, Steve Krell, Roger Brown, Tom Burrows, and Alfred Bourdow. Also helping backstage were Mr. Keene and Barry Godwin, who directed the between-the-scenes skits that featured Pat Ardern, Lee Block, Ed Durek, John Janssens, Diane Khuen, David McGregor, and Wayne Michaels.

### *1958 Volleyball Champs*

South's volleyball team closed the season with top honors in the all city championship.

The team defeated Arthur Eddy in the first game of the season and upset Central with final scores of 15-10 and 15-4. South then overtook Webber 15-4 and 15-8, and led North by 11 points in both games. Upsetting Arthur Eddy 15-11, 15-8 and Central 15-5, 15-8 our girls cinched the championship when Webber lost to us 16-14, 15-7. The last game of the season played with North brought triumph to South when we won 15-8, 15-11.

### *Intramural Volleyball*

Sue Lafond, 9A-214, led her team to victory in the girls' intramural volleyball. Winning top honors in the eighth grade division was Cindy Herzog's team, the 8A-207's. A seventh grade champion was not decided this year.

### *Recreational Swim Periods*

South Intermediate girls had the opportunity to

sign up for free swim periods at the Arthur Hill pool. Sponsors this year were Miss Drury and Miss Vassaw. The girls were divided into two groups, swimmers and non-swimmers. Tests were given in both groups. The periods were held once or twice a week beginning April 20 and ending May 14.

### *Girls' Intramural Basketball*

The 9A-216's, the 8A-207's, and 7A-108's each won first place in their division in the girls' intramural basketball. Leading their teams to victory were Ellen Whelan 9A-216, Cindy Herzog 8A-207, and Christy Behm 7A-108.

### *Noon Basketball*

Over 200 girls participated in the independent basketball team tournament. There were six ninth grade teams, fourteen eighth grade teams, and fourteen seventh grade teams consisting of six to eight players.

# Boys' Sports

## Flag Football

The 9th grade flag football team shared city championship with North and Central. It was the first time in Saginaw's history that football has been allowed in Junior High School.

Fortune was with us in our first three games as we triumphed over Webber 7-0, Arthur Eddy 14-0, and Central 7-0. Our last game against North was troublesome and resulted in a 14-0 loss.

Mr. Little coached the team which included: Don Balcom, Fred Behm, Don Black, Tim Blanchet, Robert Close, Dick Dana, Milo Dockham, Vaughn Goodenow, Ron Herzberg, Ron Hoffman, Steve Houlihan, Jim Grant, Tom Jacob, Mike Klein, Dave Landeryou, Dick Larsen, Jim Ledtke, Tim Longworth, John McCarger, Phil Parker, Bob Remensnyder, Jim Schradel, Joe Scorsone, Dennis Schumacher, Dave Seidel, Jim Steiner, Dave Trogan, Allan Wagner, George Wilson, and Harold Adams.

## Intramurals

### Volleyball

Dave Trogan, captain of 9B-106, led his team to victory in the intramural volleyball season. The eighth grade title, captured by the 8B-220's, was captained by Tim Brennan. Having no trouble, Denny Garber's team, the 7B-218's, easily took the seventh grade championship.

### Basketball

The intramural basketball crown for the 9B's was taken by Dick Dana and the 9B 106's. Captain Dick Dice of 8B 220 easily helped his team to take the eighth grade title. The seventh grade division crown was captured by the 7B 218's and their captain Terry Hackett.

### Dodgeball

The intramural dodgeball championship for the ninth grade was taken by 9A-106 and their captain Chuck Schilz after a thrilling season. The eighth grade division title was captured by the 8A-207's led by Tim Houlihan. Terry Hackett and the 7A-218's took the seventh grade crown after playing a rematch for the title.

## Senior Basketball

South's senior basketball team tallied a 2-win 6-loss record for the season. Starting the season, the cagers hopped to a 50-37 score over Michigan Lutheran Seminary in a non-league game. North, a strong team, topped the team by scores of 49-34 and 41-32.

The team split with Central topping them 38-35 and then losing 47-35 and served Webber a 49-33 defeat after losing to them 30-28. Arthur Eddy proved a nemesis too, taking both games with tallies of 44-31 and 45-31.

Leading the team this year was Dick Dana with 87 points. Jim Maddox and Dennis Schumacher followed, pacing the team with their 53 and 41 points respectively. George Wilson and Dave Trogan had their licks with 26 points. The team was coached by Mr. Little.

The team also included Alan Wagner, Don Balcom, Dave Siedel, Jim Grant, and Bob Remensnyder.

## Junior Basketball

The eighth grade team, with a three win and five loss record, was coached by Mr. McMurray. The squad was composed of Craig Dill, John Janssens, Keith Kunder, Tim Houlihan, Don Vlassis, Dick Dice, Jim Krogman, Ken Fisher, Tom Hubbard, Ken Birch, Bill McMullin, Bob Helveston, Tim Brennan, Dennis Burbank, and Tom Smith.

The season opener, a non-league contest with Michigan Lutheran Seminary, resulted in a 29-19 win. Two exciting battles with North, 29-36 and 34-36, produced another win and a loss for the squad. Central beat the Juniors 37-31, but the Southern five came right back and whipped the Centralites 36-26.

Having no trouble with Webber, the juniors downed them by the score of 30-27 but were later defeated 32-31. Eddy, the second-place winner this year, trimmed the juniors by counts of 42-26 and 40-32. Bill McMullin, followed by Craig Dill and Keith Kunder, won the high point honors for the team this year.

## Swimming

At the all-city junior high swimming meet, held at the Saginaw high pool April 16, South's junior team won first place with a total of 83 points.

At this fifteenth annual meet, 13 meet and pool records were broken and one was tied. South's juniors added 5 records to the books by winning all but one event.

First among the record breakers was Paul Mesack, recording a time of 32.5 seconds swimming the 50-yard butterfly. Jim Krogman set a meet record by winning the 50-yard breaststroke in 39.3 seconds to break his own mark of 39.6 seconds. A new meet record of 47.6 seconds was also set by Vern Ball in the 75 yard freestyle.

Both of South's junior relay teams set records. The hundred-yard medley team of Tim Houlihan, Jim Krogman, Paul Mesack, and Lavern Ball set pool and meet records with a 1:01.4 time. The 100-yard freestyle relay team of Dan Larson, Steve Harris, John Anderson, and John Koerner set a meet record with a winning time of 53.7 seconds.

The junior team's captain was Steve Harris. South's seniors, led by Tim Blanchet, fought to gain a lead but were unable to overcome the North swimmers.

## Track

Running preliminaries for the all-city junior high track meet, in which Saginaw's five junior high schools participated, were held during third hour, April 30. Participating were all students from gym classes who earlier had accomplished qualifying times during their gym hour.

Acting as judges and timers Mr. McMurray, Mr. Keene, Mr. Little, Miss Vassaw, and Mr. Noble were present during the meet. Mr. Schmitz acted as starter for the races.

## Baseball

South's baseball season got underway April 21 with a victory over Arthur Eddy. Jim Maddox, with 13 strike-outs, led the South nine to the 14-2, three-hit victory over them. Dick Dice led in the hitting department with 3 hits while George Wilson and Dave Landeryou, slugging out two hits each, also paced the team to the win.

North skimmed past South, 7-6, with Jerry Zeitler receiving the loss. Dave Landeryou again got his share of the hits, this time cracking out three of them. South tripped up Central, 5-4, behind the relief pitching of Dick Zirkle. Dave Landeryou and Tim Brennan led the batting department in this game.

## Tennis

The tennis tournament was held during May in gym classes to determine the best players. The play-offs were conducted in knock-out style, the winners progressing toward the top spot. Play-offs between gym classes were held at specified times to determine the top player of the school.

Among those succeeding in capturing first places were Dave Trogan, 50 yard dash; Jim Welker, 100 yard dash; John Bowles, 100 yard dash; Don Balcomb, 50 yard dash; Tom Jacob, 75 yard dash; and Mike Brown, 75 yard dash.

The events, run off in rapid succession, included the 50, 75, and 100 yard dashes for the boys and the 50, 60, and 75 yard dashes for the girls. All students were arranged in groups according to age and weight.

In the city meet scheduled for May 19 at Arthur Hill High School the above races in addition to the broad jump and high jump events were held.

## Sis Snooper

Taking time to review this year's past  
We realize now it's gone too fast.

These past two semesters have been lots of fun,  
Now we'll rhyme some chatter for everyone.

Twosomes are always hard to forget,  
Here are a few we remember yet.

Carol's list isn't quite clear,  
But we know she had picks of the year.

First came Phil or was it Tim or Dick?  
To remember them all is quite a trick.

That gal, Sue Werth, kept us on our toes,  
With all her changing from South's to North's  
beaus.

Mary's flames sure kept us hot,  
When she nabbed George, we were there on the  
spot.

Trudy's made a real cool pick,  
You can guess who—of course, it's Dick.

Many girls give Trogan looks,  
But he's too busy buried in books.

Carol and Harve are a long-time pair,  
A romance like theirs is hard to compare.  
We've snooped in every corner and nook,  
Hoping to find Jim's old date-book.

The next one was work, and we had to browse,  
To learn about the boys Pat Kapka's aroused.  
Many fads are coming and going,  
So read down the page and see what they're  
showing.

Among the fads lately acquired,  
These are voted as the most admired.

When they first came out they drew several  
snickers,

But now they're known as those real cool nickers.

If walking in the hall you go into a trance,  
It's probably due to those bright colored pants.

The "thermo-jac" for after school,  
Is a hit with teens, and is really cool.

Ivy league shirt waists have made headlines,  
Their popularity shows favorable signs.

Trenchcoats again were on the scene,  
We all agree they really look keen.

The colorful tights of the girls are the latest,  
Along with their kilts they were labeled the  
greatest.

For the record fans this year's been tops,  
Lend an ear as we name some "pops."

Lots of platters this year were neat,  
From the really slow to that crazy beat.

One of the songs that's been to the races,  
Is Dodie Stephen's "Pink Shoe Laces."

A new star with whom you can't go wrong,  
Is Fabian ("Turn Me Loose" was his song).

That cool, crazy character who invaded our town,  
It must have been him—That sharp Charlie Brown.

Two tear shedding hits we have heard this year,  
Are "Lonely Teardrops" and "I Cried a Tear."

The Diamonds have scored, these young men of  
song,  
With their hit records "She Say" and "Walking  
Along."

The Impalas are putting records on the spool,  
With their recordings of "I'm Sorry" and "I Was  
A Fool."

Billy Grammers's songs proved to be jaunty,  
For he has "Gotta Travel On" to the "Kissin' Tree."

A real cool song that makes us all swoon,  
Is "For a Penny" sung by Pat Boone.

Sevilles' two hits that have rolled along,  
Are "Alvin's Harmonica" and the "Chipmunk  
Song."

Travis and Bob the new singing team,  
Had first "Tell Him No" now what's the scheme?  
Private Elvis Presley sadly chants his plight,  
In his latest song — "I Need Your Love Tonight."  
"Come Softly To Me" the Fleetwoods plead,  
For a while this song was in the lead.

Tommy Edwards worked his way to fame,  
With his hit record "It's All In the Game."

"Gigi" was a cute song and really great show,  
And now it's got "Oscars" lined up in a row.

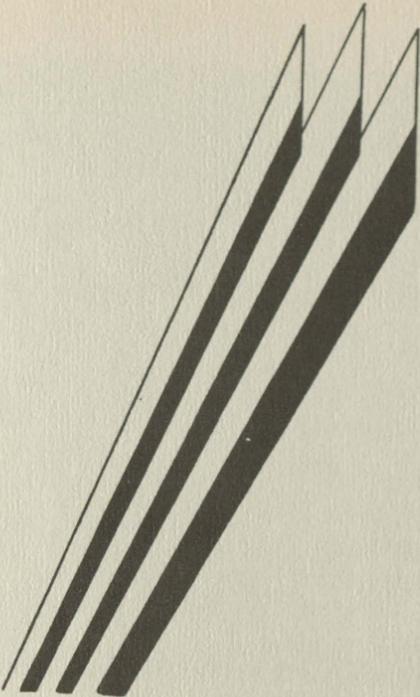

Most of us agree that Ricky's the most,  
His part in "Rio Bravo" was enjoyed coast to coast.

Now that we've come to the end of the year,  
It's goodbye to those who won't be here.

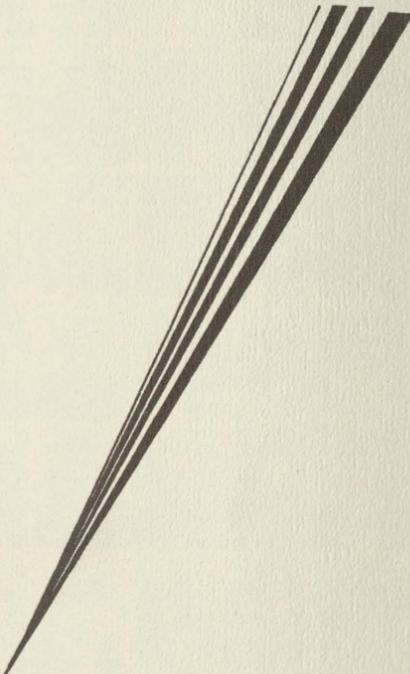

And to you who plan to come back next fall,  
We'll again be happy to see you all.

SIS

P.S. A wish from the staff to everyone,  
Good luck next year and a vacation of fun.

# Through The Year With Our Elementary

## SIXTH GRADE—ROOM 260

We have had a very interesting year. In geography class we have studied China, India, the British Isles, and South America. We made a large mural showing the history of India. At the end of our unit on the British Isles we had an English tea for our mothers; the girls baked scones and crumpets. In science we have studied weather, automobiles, atoms and marine life. We visited the Saginaw Steering Gear when we studied automobiles; we visited the planetarium in Flint. We also made weather and atom booklets. We filled two of the hall cases with shields and illuminations. We learned about making these when we studied England.

## SIXTH GRADE—ROOM 254

In science this year we studied chemistry, where we learned about atoms, elements, and compounds. Interesting experiments showed us the difference between physical and chemical changes. We made charcoal and tested foods for alkalis, acids, and starches. Other science units included early life on the earth, and rocks and minerals. We worked hard in arithmetic to learn about fractions and decimals. We have also written many compositions to help us improve our writing and spelling. During our study of South America and China, we made booklets illustrated with colorful pictures of each country.

## SIXTH GRADE—ROOM 252

The pupils in the sixth grade of room 252 did many interesting things during this school year. We studied the Middle Ages and Great Britain and we made illuminations as Christmas gifts for our parents. Next we learned about China and India and finished the year studying about South America. In science we made booklets on the solar system. In the unit on "Our Changing Earth," we learned about rocks, minerals, soils, and made a very fine rock collection. We made articles for the Junior Red Cross at Easter.

## FIFTH GRADE—ROOM 256

Some of the following activities occupied much of our time this year: in art we made favors to fill a special order for George Washington's birthday and sent them to St. Luke's Hospital; our class also made menu covers for the American Childhood Education convention and place mats for the Parent-Teacher card party. Much attention was given to the study of Alaska and Hawaii this year. The newspaper and the "Weekly Reader" furnished much of the news.

## FIFTH GRADE—ROOM 162

We studied the United States this year. Each of us made a scrapbook on it. We studied the early American explorers, the Revolutionary War, Civil War, and the West. Some of the children in our room made marionettes on the West. We have a tropical fish aquarium in our room. For science projects this year, we studied underwater life and the solar system.

## FIFTH GRADE—ROOM 158

The children in our fifth grade room 158 have enjoyed studying Mexico, United States, and Canada. Early in the fall we visited the Freedom Train. We have learned to read music and to sing many new songs. We have read many interesting library books and like to give book reports. We have had many interesting films to correlate with our science and social studies units.

## FOURTH GRADE—ROOM 262

Room 262 has done many interesting things this year. During our study of the jungle, we made a jungle scene and individual booklets. We carried out many experiments during our study of magnets and electricity and displayed our experiments for Open House. We enjoyed our study of sea animal life and made a sea animal mural and identified our specimens. We are trying to learn to speak French.

## FOURTH GRADE—ROOM 160

We studied several countries in Europe and Africa. Also we learned about the Arctic and Antarctic regions. While studying about Holland we made models of a canal, a dike, windmills, and a delta. In science we found out how animals prepare for winter. We have a toad that hibernated in our terrarium all winter.

## FOURTH GRADE—ROOM 152

In the fall when we studied about Switzerland, we made books with pictures and stories. We also enjoyed learning about life in the jungle, the cold lands, Holland and Norway, and made a large papermache igloo and clay jungle animals. We made a movie about animals. We had a good time with music in our room this year and learned songs from many lands.

## THIRD GRADE—ROOM 10

We built a wigwam when we studied Indians in the fall. We learned about pioneers and we made Kentucky rifles and old-time pistols. We read many books about pioneers and kept a record of them on a big chart. We made our room into a pioneer school. When we studied early Saginaw, we took a trip to see some of the places we talked about. We made a tin can telephone when we studied sound. We did lots of things in art and we had a mobile for every season.

## THIRD GRADE—ROOM 9

The first semester we studied pioneers. We made a general store and candles. The children brought things that belonged to their grandparents. We studied Indians and made notebooks. The girls made papooses and the boys made spears and drums. The whole room made shields. In science we studied sound, space, and wheather. We did many experiments; we have studied simple machines. In music we learned many new songs.

## THIRD GRADE—ROOM 7

In our room we made many Indian things such as beads, shields, and even costumes for an Indian boy and girl. We learned about simple machines and some of the elements found in our homes such as gold, silver, lead, aluminum, and copper. During our study of pioneers we planned on having a venison stew and an overnight camp out at Ojibway Island. We planned to sleep just as the first Saginaw settlers did.

## SECOND GRADE—ROOM 8

This fall we studied the weather and made calendars to keep records of the temperature. We studied transportation too. We were very sorry to have Mrs. Foulds leave in January; we miss her a lot. When our new teacher, Miss Loesel, came, we studied the bakery and took a trip to the Gase Bakery. We learned about plants and had our own garden in the room.

## FIRST GRADE—ROOM 5

Blueberry muffins, cookies, and ice cream sound like a party, but it is really room 5 at work. We made some hand puppets too. We built a puppet stage and made our puppets talk and act. We have been learning numbers through arithmetic games. We have also been learning numbers through arithmetic games. Now we can read and write. We are sure second grade will be fun too.

## FIRST GRADE—ROOM 3

We have fun doing things in school. Here are some of the things we learned: we learned to read, write, spell and count; we learned about the farmer and how he helps us; we learned about trains and took a train ride to Bay City. We made things too. We made a play house together and played house in it. We made a puppet show of "Red Riding Hood" and also "The Three Bears." We gave a show for our friends.

## FIRST GRADE—ROOM 1

Our first grade has had a busy year. We studied homes and families. We built a home for our dolls. We made family books to read. When we studied community helpers we built a grocery store. We had fun learning about stores. We learned to count money. In the spring we made a hat store. The farm was studied and visited the later part of the year.

## KINDERGARTEN—ROOM 2 and 4

We have so much fun in kindergarten. We work and play and learn about many new things. We like to play in the sand and the doll corner and build things with blocks. We brought lots of things for our Science Corner. We looked at them through our magnifying glass and microscope. We like our "Weekly Readers," especially the puzzle page. We want to be good helpers and obey safety rules. We want to be good first graders next year.
